

## **Deanery Pilgrimage 2022 Saturday 11<sup>th</sup> June**

Reflecting on the Deanery and on the helpful Deanery Synod we had in February, I made the decision that it would be good to have a deanery pilgrimage, walking between all the churches and pausing to pray in each one. I hope that some of you will join me for at least part of the way. Some of you may simply want to be present in your church when the group arrives, some of you may decide to do a couple of legs at different times of the day, some of you may want to walk the whole route. (We will provide public transport alternatives for at least some legs, so that you could visit all or many of the churches without necessarily walking the entire route!)

The lovely thing about walking a pilgrim route is that you change conversation partners as you go along and sometimes you quite simply walk in companionable silence. I hope that this will give us the opportunity to get to know each other better and also to reflect on the way in which the churches bless us and how we can be a blessing to the communities they serve.

Bring a picnic lunch and don't forget to have plenty of water!

This is a beautiful walk taking us across the fields (four stiles are involved) to the woodland and then following the path in the woodland – when Edward and I did this it was bluebell time and very

beautiful. This gradually climbs bringing us out at the industrial units on Vulcan Way. A shortish walk then takes us on through New Addington to arrive at St Edward's.

We arrive via Queenhill Road at Littleheath Wood for a final delightful woodland section which brings us to Edgecombe Road and up to St Francis.

6.35 pm depart for St Mary the Blessed Virgin .

We follow the public footpaths down past the schools to Gravel Hill and across Addington Park back to St Mary's, where we shall sing a hymn or two and then enjoy refreshments together in the vicarage garden.

7.15 Arrive at St Mary the Blessed Virgin.

We hope that anyone who has been on any of the legs or who has been present at any of the churches will join us at 7.15 for well-earned refreshments.
